Here's an opportunity to celebrate your accomplishments! What did you do with the CTCL COVID-19 Response grant funds that you're most proud of?

Added an additional early voting site, completely equipped and staffed. Added personnel at all 96 voting sites to sanitize equipment and services.

If your annual budget for elections permanently doubled, what would you be able to accomplish that you can't accomplish now?

Build a new headquarters to accommodate the need for additional warehouse and office space as a result of the increase in registered voters, which has been trending up year over year for the past several years.

How do you stay up to date with election best practices and learn about new resources, tools, and trainings? Which (if any) election conferences do you attend? Which newsletters, listservs, or updates do you receive? Are there other ways you stay engaged with your field?

Election Center seminars and Florida Association of Supervisors semi-annual meetings.

Many of you asked to share photos of how you spent the grant funds. While this is completely optional, we welcome any photos (or other documents) you'd like to send our way!
